### Rain or Shine, Secure Your Home: Why Home Insurance Matters

The rainy season doesn't just bring floods—it can expose leaky roofs, faulty wiring, and structural wear and tear. This month, we highlight how protecting your home with the right insurance coverage can give your family peace of mind, even when the weather's unpredictable

## Quick Tip of the Month: 3 Rainy Season Hazards That Can Damage Your Home

- Roof leaks and ceiling stains from nonstop rain
- Water damage to appliances and furniture
- Electrical surges or short-circuits due to damp wiring

## Richie's Corner 🐾

*Hi hi hii It's Richie! The rain's not so bad if you're warm, safe, and cuddled at home (like me 🥰)*

- ✓ Check your roof before the big storms come!
- ✓ Keep me and my toys dry, please 🥰
